

Technology Equipment Purchase December 17, 2010

KYAE plans to purchase technology equipment for program directors and full-time instructors to support professional development web conferences. You may request sufficient equipment to be used on the computers in your adult education center to facilitate PD web conferences. To make your request, please click on <http://www.zoomerang.com/Survey/WEB22BJ6ZAFGG3/> and complete the survey.

Please note – you can take the survey only once, so remember to complete each field.
